Events

► **Career Fair February 9, 2017 Florence Filberg Centre 411 Anderton Ave, Courtenay**

From employers to post-secondary and industry training booths, there will be a variety of exhibitors offering opportunities in employment, education, and skills upgrading. Quality Foods, Island Health, Marine Harvest, Canadian Tire and Home Depot to list only a few who are among the dozens of top level employers that will be on hand. From a training perspective, North Island College, Stenberg College and North Island Employment Foundations Society will have a wealth of information regarding career training, be it for the recently-graduated young adult, or for anyone considering a change in their employment direction. "Ian Roberts from Marine Harvest will host more than 10 Ted Talk-style presentations from the Island's top employers throughout the day," said Dave Hamilton Black Press group publisher, North Island Division. Transportation shuttles will be offered for anyone in need of travel assistance from outside the Comox Valley.
