► StrongerBC Future Leaders Program

Provincial investment of almost \$45 million announced to provide training and employment opportunities to 5,000+ youth and young adults (age 16-30). The Ministry of Jobs, Economic Recovery and Innovation will invest \$22 million for a minimum of 4,500 training spots and internships. The first program, the Innovator Skills Initiative program, is delivered in partnership with Innovate BC. The second program, the Canadian Tech Talent Accelerator program, is delivered by NPower Canada, in partnership with the Digital Technology Supercluster and Microsoft.

The Natural Resource Youth Employment program will invest over \$11 million for over 220 jobs in the Natural Resource Youth Employment program, and the Recreation Sites and Trails program. The Ministry of Environment and Climate Change Strategy is investing \$9.6 million into two programs to hire approximately 265 youth into seasonal jobs. The first program, the Clean Coast, Clean Waters initiative, will receive \$5 million for about 180 youth to undertake marine shoreline cleanup by removing waste, including plastics and derelict vessels, from coastal communities. The second program will invest \$4 million to create 37 positions with BC Parks and 46 positions with the Conservation Officer Service to work in a variety of fields to gain experience and help protect the environment.

The Ministry of Advanced Education and Skills Training has invested \$1 million into Mitacs for key internal program placements. The paid internships are administered through Mitacs, a national not-for-profit organization that builds partnerships between undergraduate and graduate student researchers, post-secondary institutions, industry, not-for-profit organizations and communities.
