February 2021

We **love** what's happening in February!

Although **February** is a month full of fun events such as **Valentine's Day** and **Family Day**, there is still plenty of time to focus on your job search. Oh and have we told you lately that we **love** seeing you succeed? Let us support you in your journey - we have excellent employment services and resources we would **love** to share with you...

Show yourself some **LOVE** - access our free employment services!

Has your employment situation recently changed? Do you no longer **love** what you are doing for work? Perhaps you are looking for something more rewarding, or hoping for some training to enhance what you already have to offer? Or...maybe you are retired but feel you may have made a hasty decision and aren't quite ready to step away yet...

Whatever your employment circumstances, we welcome you to the Career Centre and would **love** for you to access our free employment services - safely of course!

Don't forget about our workshops

Your safety is a priority for us!

All of our workshops are being offered via Zoom and we can also accommodate a small number of participants in person. Social distancing, hand sanitizer, additional cleaning, availability of disposable masks and lots of plexiglass are in place to ensure you have a safe and comfortable visit.

Some Workshops you can still catch this month...

Family Day is Monday, February 15th!

Just a reminder that we are closed on Monday to spend time with our families. We hope you also will be safely enjoying time with those in your "bubble"!

We look forward to connecting with you on Tuesday, February 16th.

Get familiar with our website...

You'll **love** our weekly **Hot Sheet!**
It's loaded with job leads, training opportunities
and links to over **20 job boards** -
(ours being the best of course).

Do you **love** the outdoors...

The Advanced Forestry Skills Program might be for you!

This fully-funded, field-based forestry program will provide participants with a wide variety of skills, certifications and hands-on experience.

This program also includes valuable industry networking opportunities and 3 week job placements with local forestry employers. Graduates will be prepared for a wide variety of employment opportunities ranging from equipment operation to field work.

More information is included in our weekly [Hot Sheets](#), or call us at 250.248.3205 to learn more.
