

FREE Workshop in *Disability Employment Month*

Understanding Brain Injury

Everyone is welcome!

Nanaimo Brain Injury Society (NBIS) will help us understand the impacts of brain injury, how each journey is unique, and the support available to us.

Whether caused by a fall, motor vehicle crash, assault, lifestyle choice, disease or stroke, a brain injury can happen to anyone.

Coping with the consequences can be difficult for everyone, including friends and family members.

Join us to learn more.

Wednesday, September 20

4:00 - 5:00 pm

WorkBC Centre - Parksville
#328 - 198 E. Island Highway
(upstairs classroom)

Call to reserve your spot: 250.248.3205
