Young people with mental-health challenges get more support

The Province is investing \$3 million over the next three years to support the continued delivery of YMCA's Y Mind and Mind Medicine programs in 30 communities across B.C. Y Mind offers a free seven-week program that teaches teens from 13 to 18 and young adults, from 18 to 30 strategies to cope with stress and anxiety. Find a location near you [here](#).

Another record quarter for vehicle and passenger traffic for BC Ferries

"We're actively hiring to address our crewing shortages, which will improve staffing resiliency and support reliable service for our customers." - Nicolas Jimenez, BC Ferries President and CEO. Find out where and what jobs BC Ferries is hiring for on the [BC Ferries job board](#)!

September is B.C. Disability Employment Month

Every September, B.C. Disability Employment Month highlights the significant role people with disabilities play in B.C.'s workforce. People with disabilities can discover supportive services to help build their careers. Between April 2022 and March 2023 WorkBC supported over 4,600 people with disabilities through their first year of employment.

People with injuries, disabilities supported getting back to work

In celebration of B.C. Disability Employment Month, people with disabilities or recovering from a physical injury or mental-health challenge will receive extra help in their recovery and safe return to work thanks to \$4 million in funding to the National Institute of Disability Management and Research (NIDMAR).
