TIP of the Month

Although the Hiring Fair is over, these tips still provide helpful advice when connecting with employers.

Are you considering a career as a **Food and Beverage Server?**

Learn more about the earnings and outlook at this [Career Profile](#).

Check out our calendar of upcoming [workshops](#) such as *Hot Leads*, *Job Search Strategies*, *Beyond the Postings – Finding Work in Oceanside*, and *Acing the Interview*.

You can attend in-person or via Zoom.

Call to Register: 250.248.3205

(Times and dates vary from week to week to accommodate other programs so please ensure you register and confirm.)

Project-Based Labour Market Training

Project Based Labour Market Training (PBLMT) provides funding to organizations in support of projects that provide a combination of training, on-the-job work experience and follow-up support to eligible individuals that will improve their employment skills and prepare them for in-demand jobs. If you are not sure what jobs are popular on Vancouver Island, reach out to your local WorkBC Centre for more information and to learn how you can

contribute to your community!

Access to post-secondary education expanded for former youth in care

Former youth in care in BC of all ages will now have their tuition waived for post-secondary education, as government takes action to remove age requirements for the Tuition Waiver Program for Former Youth in Care and make it available for a lifetime.

Indigenous Peoples in Trades Training

The Indigenous Peoples in Trades Training (IPTT) programs give you the training you need to jump start work in the trades industry. If you have ever considered working in trades, connect with your local WorkBC Centre or VIU!

Women in Trades Training

Women in Trades Training (WITT) programs give you the training you need to jump start work in the trades industry. The programs provide you with funding and support towards tuition, books, tools, PPE, industry safety certificates, and more. If you have ever considered working in trades, connect with your local WorkBC Centre or VIU!

Canadian employers can get up to \$10,000 for hiring a new first-year apprentice!

Have you ever considered working in trades? Employers now have a \$10,000 incentive to hire new and potential apprentices just like you! Be sure to let your prospective employer know about this incentive if they do not already! If you are interested in getting started in trades, reach out to your local WorkBC Centre for more information!

Digital Jump Start – Neil Squire

Digital Jumpstart is a free online program that helps people with disabilities improve their digital literacy so they have the confidence to take their next steps – join a job placement or readiness program, return to school, join the workforce, or simply become more confident using a computer.

Continuing Studies @UVic and Lighthouse Labs Information Session

Learn more about eligibility, start dates, and how we can help launch your career in Web Development. This is your chance to ask all of your burning questions to determine if our Boot camps are right for you.

In Case You Missed It...

Check out WorkBC's Job Board for BC

New job postings go live on WorkBC's Job Board every weekday. Over 13,600 jobs across the province have been advertised on the Job Board since March 1st.

Have you considered working in health-care or the tech industry? Now is your chance to plan for your career goals.

Health-care and tech sectors are expected to fuel job growth in B.C. over the next decade. Around 63 per cent of new workers will be replacing those who retired. The remaining 37 per cent will be created as the economy grows.
